PART III Agreement

I agree to the following

- I do voluntarily and knowingly apply for participation in the Trespass Authorization Program authorized by the City Code of Laws 16.34.1.
- This document is submitted as part of government program. I understand that this application and affidavit now is a public record for the purposes of Rule 803(8) South Carolina Rules of Evidence, and that is my intention.
- Enforcement is being requested due to past problems.
- I affirm that no person has my permission to congregate on my property when my business is open, enter my property after the business is closed, or to enter my undeveloped or unoccupied property for any purpose.
- I hereby authorize the City of North Myrtle Beach Police Department to enter my property and to act in their discretion under police power for public health, safety and welfare, in enforcing the trespass law in my absence.

- I understand that any person, other than law enforcement, who enters, or enters and remains after warning, will be subject to arrest and prosecution.
- I will cooperate with the City of North Myrtle Beach Police Department in any prosecution, including appearing as a witness if need be established.
- I agree to hold harmless and indemnify the City of North Myrtle Beach should any claim or suit be made against them arising from Program participation.
- If admitted to the Program, I agree to purchase and allow posting of authorized No Trespassing Signs at the locations selected by the Police Department.
- I understand that my participation in this Program does not create a special duty, or any form of legal or equitable duty on the part of the City of North Myrtle Beach Police Department that runs to my benefit, or an expectation that my particular problems will be solved.
- Participation in this Program does not create a special legal or equitable relationship between the Police and the participant that is different from the relationship of the police and the public at large.
- Participation is purely voluntary. I assume responsibility for my own actions.
- I understand that the Program may be discontinued at any time, or that I or the Police, after verified receipt of written notice and removal of signage, may terminate participation without cause.
